### **Symptom (public)**

I only find generic FAQs in this FAQ system, whereas I'm looking for the FAQ for the START Manager Console!

### **Problem (public)**

Did you requested the access to the Manager Console FAQs?

### **Solution (public)**

The FAQ system for START is divided in three access levels:

- Public FAQs, which can be browsed by everyone, which are related to general questions about START, about the submission process and about license agreements.
- FAQs available to registered users, which can be browsed by everyone who registered in the system from the FAQ web interface
- START FAQs, available to conference managers, which covers the configuration and usage of the START Manager Console. To get access to these FAQs, please send a mail to [support@softconf.com](mailto:support@softconf.com)
